

Where are we from?

We currently live in Sydney, NSW. We've loved calling it home, but we're ready for a new adventure and to see more of the world!

Tyson and Emma's Kiki Club application

Sydney → London

Kiki Club, as you've probably guessed, we're moving to England! We'll be there for a year from Feb 2027 and would love to join the Kiki Club community.

A friend who's also heading abroad told us about you, and we thought applying would make settling in much easier.

Emma, 21
Cybersecurity graduate and service delivery officer at the Australian Taxation Office. I haven't travelled much overseas yet, so I'm excited to spend the next year exploring Europe!

I'm fairly tidy and organised, but Tyson is the one who keeps us on track. I love getting out with friends, whether it's a concert, dinner or just a walk.

Tyson, 22
Archaeology graduate, halfway through a Master of Teaching and ready for a year off. I'm working as a teacher's aide with hopes of teaching history, but first I want to see it. I've travelled Europe before and spent five weeks on an excavation in Greece, but it's not enough!

I'm clean, organised and levelheaded, and happiest on a hike, in a museum, or planning the next road trip.

Hobbies that we share:

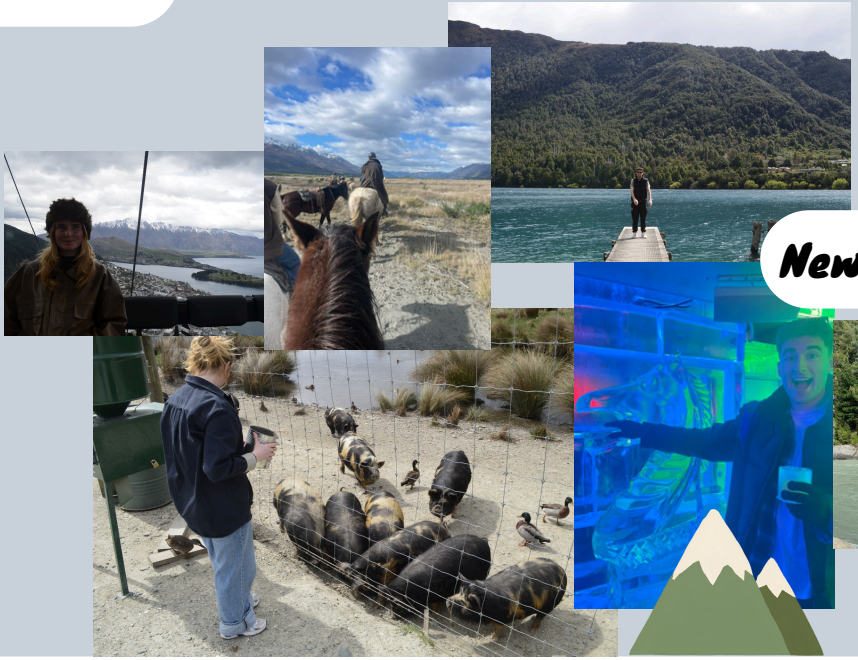

- Reading
- Sports e.g. Netball, soccer, tennis
- Hiking
- Seeing live music
- Visiting new places

2.5 years together, and the adventures have already begun. A few of our favourite trips so far

Hamilton island

New Zealand

Vanuatu

And this is only the beginning. Next stop: England!

Why London and why now?

Tyson and I have both finished our bachelor's degrees, and we're ready to get out and explore the world. Tyson has just completed a year of his Master of Teaching, but he's deferring for a year because we simply can't wait any longer!

Tyson hopes to put his archaeology degree to use in Europe, and I'm hoping to see as much of the world as I can.

Our parents are originally from England, and I have family in the UK that I'm looking forward to spending time with. We're excited to explore our parents' hometowns and see my family, which is a big part of why we're planning to stay around London.

Why we're a safe bet

We have plenty of experience house-sitting for family and friends, and we regularly look after their pets while they're away.

We're a reliable, easygoing couple who love getting out and meeting new people. We know we'd fit into the Kiki community seamlessly if you gave us a chance!

We hope you'll consider our application, Kiki Club!
